

Sustainable Drug Seller Initiative

Partner Presentations

Meeting Objectives and Organization

Pharmacy Council

Stakeholders' Meeting, Tanga

17-19 September 2012

Meeting Objectives

1. Inform stakeholders on progress of ADDO program implementation in Tanzania and the transition to Pharmacy Council.
2. Provide an overview of SDSI objectives in three countries.
3. Review findings and recommendations from recent assessments and studies on various ADDO components.
4. Discuss findings, recommendations, options and agree on feasible interventions to ensure maintenance and sustainability of the ADDO program.

Meeting Organization (1)

1. Overview of ADDO program & its management, and Sustainable Drug Seller Initiatives (SDSI)
2. Contractor presentations:
 - Findings and recommendations from recent assessments on aspects of the ADDO program

ADDO Assessment Categories	
Regulatory System	Training
Mobile Technology	GIS
Consumer Advocacy	ADDO Associations
Community Based Health Initiatives	Supply Chain

Meeting Organization (2)

3. Group work—opportunity for in depth discussion on assessment findings and recommendations; achieve consensus on priority ADDO-related activities.

Group Discussion Topics	
1. ADDO Regulatory System	2. ADDO Dispenser Training
3. Technology (Mobile & GIS)	4. ADDO Associations, Financing, and Supply Chain
5. Consumer Advocacy and linking with Community Based Organizations	

4. Groups present their discussions and conclusions
5. Wrap-up and closing

Small Group Follow up Meeting

- Thursday, Sept. 20 small group meeting with MSH, PC, and TFDA
 - Review and synthesize group recommendations and prioritizations from Day 3
 - Further prioritize recommendations from a comprehensive standpoint
 - Share final recommendations and priorities with partners to harness support and begin delegating responsibility

Thank you
